

5 YEARS ANNIVERSARY  
XBase09 SPECIAL EDITION  
BY DR.WALKER

Congratulations for your purchase of the Special Edition XBase09. This model was created by Dr.Walker especially to the fifth anniversary of the Xbase09. The edition is limited twentyfive units.

Next to the exclusive design, the hihat-/percussion-section is expanded to 32 samplebased sounds. The samples are exclusively created for this XBase by Dr.Walker.

Since over ten years, Dr.Walker is one of the most important figures of the 'underground'-electronic scene. His wide range of activities include countless record releases, e.g. with Air Liquide and Rei\$\$dorf Force, the Liquid Sky Clubs in Cologne and N.Y.C., a recordshop in N.Y.C. and the Electrobunker Cologne parties, frequently attracting thousands of guests.

He used his two Xbase's in more than 400 live-sets all over the world!
